

BIO FEEDBACK ANALYSIS WITH PERSONAL REPORT AND DIGITAL BOOKLET

€45

Through our Bio-Resonance Test (total duration 45 minutes incl. conversation) we show you the way to a healthier lifestyle and improving your nutrition and eating habits.

In the UK on average 57% of the population has at least one chronic disease or condition that developed after childhood.

More than 94% of these chronic health complaints have a significant impact on daily life.

Please call Janette on +31-6-18900900 to make an appointment or use the contact page to contact her.

ROADMAP

You make an appointment with Janette at your home or in Oosterbeek. If at home you pay €0.23 extra per kilometer. You do not have to pay for the travel time.

The time for the measurement and the explanation takes 45 minutes and you will receive a written report within a few days

A sensor is used for the measurement that is connected to your index finger. This is completely painless.
